William H. Berry	Harry A. Lashua	Theodore S. Tradd
Burleigh W. Craig	Milton Leand	Winston M. Tripp
Ernest A. Gordon	Harvey D. McGray, Jr.	Marcus A. Wells

The Recorder, Harvey B. Leggee announced that petitions  
had been received from Samuel Hamwey, Samuel Kabalkin, Louis  
Freedman and Jacob Freedman, but letters of objection having  
been filed for each candidate and signed by three members of  
the Temple in good standing, the petitions had been ruled

black balled in accordance with the Imperial Council law.

Upon motion duly seconded that the action of the Potentate and Recorder issuing releases of jurisdiction since the last meeting to George A. Eaton of Raynham, James F. J. Migliorati of Bridgewater and Paul W. Witherell of Taunton to Palestine Temple of Providence be ratified.

There being no further business, the business meeting was closed and a meeting opened for the work of the first and third sections and obligation of candidates by the Ritualistic Degree Team.

At 5:00 to 7:00 P. M. the Nobility was served a continuous Buffet Dinner in the Banquet Hall.

The Past Masters who were being honored at this Ceremonial were given a Buffet Dinner in Talbot Banquet Hall.

The evening meeting was opened in Grand Hall at 6:45 P. M., at which time the Illustrious Potentate received Most Worshipful and Noble Thomas S. Roy, Grand Master of Masons in Massachusetts, who brought the Greetings of the Grand Lodge to the Nobility of Aleppo Temple and congratulated them on their splendid work of obtaining such a large class of candidates for the "Past Masters" class in honor of the Nobles of Aleppo Temple who have presided in the East in their respective Lodges .

Accompanying the Grand Master were the Grand Commander

of the Grand Commandery, Knights Templar of Massachusetts and Rhode Island, Right Eminent Grand Commander, Sir Knight J. Herbert Hinds and the Commander-in-chief of Massachusetts Consistory S.P.R.S., Illustrious and Noble Herbert N. Faülkner.

At this Ceremonial the new organization of Aleppo Chanters and newly organized Oriental Band were presented to the Nobility of Aleppo, both of which were received with tumultuous applause for their outstanding display, both organizations having been organized and rehearsed to a point of perfection in a space of two months' time.

The Aleppo Oriental Band was organized by Captain Francis Sagle and directed by Noble Frank L. Warren. The new Chanters organization was organized by First Ceremonial Master George A. Weeks and conducted by Noble Earl Weidner.

Following the opening exercises of the Temple the evening Parade and Patrol Drills, the Novices, numbering 375, were escorted to the center of Grand Hall Floor where they were given the Inspired Charge by the High Priest and Prophet, Noble Gerald F. Zedren, assisted by the Aleppo Chanters.

The Aleppo Temple Degree Staff, under the direction of Frank W. Watson, Director, assisted by the Assistant Director, Carl I. Parker, gave a new creation of their idea of "Crossing the Hot Sands", entertaining the Nobility from 8:30 to 10:00 P. M. at the expense of a "fortunate" group of 45 candidates. There were 6,293 Nobles in attendance at this Ceremonial.

# THE IMPERIAL COUNCIL

of the  
Ancient Arabic Order of the  
Nobles of the Mystic Shrine  
for North America

(An Iowa Corporation)

OFFICE OF THE IMPERIAL POTENTATE,  
BOSTON, MASSACHUSETTS, NOVEMBER 26, 1951.

GENERAL ORDERS No. 4,

Series of 1951-1952.

*To the Representatives of the Imperial Council, Potentates of  
Subordinate Temples, and the Nobility of the Order:*

*"Es Selamu Aleikum"*

UNDER NO CIRCUMSTANCES IS IT PERMISSIBLE FOR THE NAME SHRINERS HOSPITALS FOR CRIPPLED CHILDREN, OR ANY PART THEREOF, TO BE USED DIRECTLY OR INDIRECTLY AS A VEHICLE FOR THE PROMOTION OF OTHER TEMPLE FUND-RAISING ACTIVITIES. ANY ATTEMPT, DIRECTLY OR INDIRECTLY, TO MAKE USE OF PUBLIC SUPPORT AND ADMIRATION FOR OUR HOSPITAL WORK, INCIDENT TO THE PROMOTION OF OTHER TEMPLE ACTIVITIES, IS NOT ONLY CLEARLY UNETHICAL, BUT A VIOLATION OF SHRINE LAW.

Shrine Temples, organizations within Shrine Temples, or individual members thereof, desiring to promote any entertainment or other project, the proceeds of which, or any portion thereof, are to be donated to Shriners Hospitals for Crippled Children or some particular Unit of Shriners Hospitals for Crippled Children, are directed to first submit their proposition to Galloway Calhoun, Chairman Board of Trustees, Shriners Hospitals for Crippled Children, Citizens National Bank Building, Tyler, Texas, or his successor in office, for express approval.

Shrine Temples, or organized bodies within Shrine Temples, holding any circus or other entertainment to which the public is invited, where any notice or advertisement states that the proceeds, or a portion thereof, will be turned over to Shriners Hospitals for Crippled Children, or some particular Unit of Shriners Hospitals for Crippled

Children, are admonished to properly account for such funds and pay them over promptly to Shriners Hospitals for Crippled Children or to the Governing Board of the particular hospital publicly designated as the beneficiary of such funds.

THE UNAUTHORIZED USE BY ANY TEMPLE, OR INDIVIDUAL MEMBER THEREOF, OF THE NAME SHRINERS HOSPITALS FOR CRIPPLED CHILDREN OR ANY PART OF SAID TITLE, OR ANY OTHER TITLE USING THE WORDS CRIPPLED CHILDREN IN ANY NOTICE OR ADVERTISEMENT OR TICKET THAT MIGHT OR COULD CONFUSE A PURCHASER OR SUBSCRIBER IN ANY SOLICITATION OF FUNDS, IS STRICTLY PROHIBITED.

The work of Shriners Hospitals for Crippled Children has been called the world's greatest philanthropy. It is our charity. It was pioneered, designed, sponsored and created by Shriners. Every Shriner can be justly proud of its record of achievement. Let us one and all direct our combined efforts within the framework of our Code to the end that this great charity may attain even greater success.

This Official Order is not intended to interfere with legitimate programs sponsored and carried on by subordinate Temples or their several organizations; but in order that all members of the Nobility may understand the necessity for supervision of any and all fund-raising campaigns for the use of our Hospitals, so that the good name, purpose and dignity of our organization may be maintained, you are directed to bring this Order to the attention of the Nobility through your Temple publications or in the usual manner.

Because of apparent confusion in the minds of some Nobles, we give you the following brief procedure and urge that you read it to your Nobles and also publish it in your Temple publication in order to acquaint all of your Nobility with these facts.

#### A NECESSARY BUSINESS PROCEDURE IN HANDLING BEQUESTS FOR SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

When notice of an estate benefiting our Shrine charity work is received by anyone, such notice should immediately be sent to the Imperial Recorder and Secretary who will thereupon obtain a certified copy of the will for our permanent records, and furnish copies to the General Counsel and the local Board of Governors interested. Thereafter the office of the General Counsel will communicate with the executor of the estate, or his attorney, or with some local contact who will handle the matter for us. If the estate involves the payment of a specific bequest, it will be ascertained whether or not the funds are sufficient to pay the bequest in full, and in cooperation with the executor we will advise him of our exemption from federal and estate taxes, etc. If the estate involves a testamentary trust, or a residuary bequest to our organization, or if a specific bequest is abated for some reason, then we obtain a copy of the inventory as well as copies of all documents relating to the administration of the estate, including a copy of the final account and the order of distribution.

If real property is involved, generally speaking, it passes to our organization by operation of law whereupon we may dispose of the same unless it is sold by the executor for use in the payment of debts of the estate. Where real property is received, the sale thereof is

handled through the office of the General Counsel upon the approval of the officers of the corporation, and in conjunction with the local Board of Governors where property is located in close proximity to one of the hospitals, in accordance with an established procedure, including the obtaining of competent appraisals and full information regarding the property. In connection with securities and other personal property, we examine the list of assets and advise with the executor and his counsel whether or not the securities or other personal property should be sold or distributed to us in kind. All of said information is handled through the office of the General Counsel direct with the executor or his attorney, or by someone locally representing us in the transaction.

Distribution is usually made direct to the office of the General Counsel, whether it be in items of cash, securities, or other property, and after checking same with the final account, it is transferred to the Secretary's office for proper recording on the books and accounts of the Central Office and a transfer of such funds to the particular Hospital account to which the same may belong.

Only by this procedure is it possible to know accurately, promptly, and in detail, whether or not we receive our proper share of the distribution of an estate, and to assure all receipts being correctly entered on the books and records of the Central Office. Any other method of handling bequests not only tends to develop a certain amount of confusion, but also may in some instances jeopardize our tax exemption status as a charitable organization. Imperial Officers, Illustrious Potentates of Temples, Recorders, all Nobles of the Order, as well as interested parties in banks and trust companies, are requested to familiarize themselves with this brief business procedure and in the future to notify the office of the Imperial Recorder and Secretary immediately upon learning of any estate in which Shriners Hospitals for Crippled Children may be interested.

#### NOTE TO ALL TEMPLE RECORDERS

It is suggested that Recorders of all Temples at an early date, when an occasion presents itself incident to publication of a meeting notice or otherwise, urge the Nobility to bear in mind the provisions of Section 119 of the Code.

Article XVI, Section 119, Imperial Council By-Laws:

Complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate, but a member of the Imperial Council may communicate directly with the Imperial Potentate. In case the Potentate of the Temple refuses or neglects to forward the communication as herein provided, the complainant may transmit the same directly to the Imperial Potentate.

#### INVESTMENT COMMITTEE

The Imperial Potentate announces the appointment of the Investment Committee:

LEONARD P. STEUART, P. I. P., *Treasurer-Chairman*  
WALTER G. SEEGER  
WILLIAM B. FALCONER

It is directed that General Orders No. 4 be read to the Nobility of each Temple at the first Session following its receipt and record of the same made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council, this 26th day of November, A.D., 1951, and of the Order A.H. 1371.

## SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamor of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features,—located by numerical precedence early in the parade on the actual line of march,—have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and smaller Temples, located far back in the line of march, have unquestionably taken unfair punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours,—as a result of the cumulative loss of time due to repeated

feature specialties and street maneuvers by units "marching" nearer the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade have found themselves,—weary and disgusted,—marching down deserted streets and into an auditorium or stadium almost emptied of spectators, (5) At Chicago, in 1949, a number of Temples were denied an opportunity even to finish the parade.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements", although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades at the Miami Session in June of 1952, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The day "parade" at Miami will be a parade throughout,—and in no part a pageant. Only so-called "forward marching movements" will be permitted; such a movement may be defined as a marching movement which at no time during the parade causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are indirectly to violate the order through the subterfuge or expedient of having undue distances between units.

Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. Units not desiring to comply with this parade regulation are not to form in line for the day parade. The regulation will be rigidly enforced. Units of any Temple violating the day parade regulation will be excluded from the night parade; the Potentate of each Temple is responsible for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is responsible for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. The Night Parade will not be subject to the above explicit regulations,—although it is earnestly suggested that no special street drill, or maneuver, or exhibition, or stunt, shall unreasonably retard the forward movement of any following marching units.

Your fair and complete cooperation in the above plans for the parades at Miami in June of 1952 is sincerely urged for the greater comfort and enjoyment of all participants.

III. Automobiles. There has been growing criticism relative to the unreasonable number of automobiles in recent Shrine parades. The use of large numbers of cars in smaller local communities, for the obvious purpose of padding and bolstering a small parade, is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of cars for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. At Miami, the short distance and nature of the proposed route of the parade and the congestion of traffic,—particularly in the Day Parade, will demand the elimination of cars other than a limited number at the head of the parade to enable officials to reach the Reviewing Stand. Regulations issued through the office of the Director General will be enforced.

It is not probable that cars will be made available at Miami for Temple Potentates; in no event is any Temple to have more than one car in line,—the same to be occupied by the Potentate of the Temple and/or such Nobles as he may designate.

IV. Marching cadence will be 110 steps to the minute.

V. Intervals of not over 100 feet between Temples, and 50 feet between units, are to be constantly maintained.

VI. At the Reviewing Stand, Temple Divans will give hand salute, or eyes right, but not stop to salaam.

VII. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate point for eyes right or salute.

VIII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

IX. Attention of all Potentates, with reference to any and all Shrine parades, is also called to the specific provisions of Section 227 of the Imperial Code, which excludes women, girls, children, or marching units of any organization not officially identified with the Shrine, from participation in any Shrine parade. A Potentate is personally responsible for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no child, no woman or girl, and no non-Shriner, has any place in a Shrine parade. Proper Shrine policing at successive points on any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

It would not seem to be a violation of the above regulation, for school bands, school drill corps, or floats, to follow a Shrine parade.

Copies of the above are to be prepared by the Office of the Imperial Recorder and promptly mailed out in sufficient quantities for distribution, not only to Potentates and Recorders, but also to the commanding officers of any and all units of all Shrine Temples.

It is directed that General Orders No. 5 be read to the Nobility of each Temple at the first Session following its receipt and record of the same made upon the minutes of the Session at which it is read.

Given under our hands and the seal of the Imperial Council, this  
28th day of November, A.D., 1951, and of the Order A.H. 1371.

In accordance with Imperial Council law, all candidates created during the fourth quarter of the year have the privilege of paying the \$2.00 assessment to the Shriners' Hospitals for Crippled Children for the current year plus 25% of the current year's dues, a total of \$4.50. A bill for this amount will be forwarded to you by the Recorder, following this meeting upon payment of which a

1951 Shrine card will be issued in your name.

The annual Crippled Children's Hospital assessment of \$2.00 will be increased to \$5.00 on January 1, 1952. A Life Membership in the Shriners' Hospitals may be purchased at the present time and before January 1st, for \$60.00. After January 1st the Life Membership will be \$150.00. This information will all be explained through a pamphlet to be mailed to you with the bill for the 1951 partial dues.

A diploma will also be forwarded to you when received from the Imperial Council.

The degree work you have witness this afternoon was given by Aleppo Temple's Ritualistic Degree team who have been rendering this work since 1935. Each member of the team is a Past Master of his Blue Lodge.
